

**COMMISSION**

**Jugendleiter / Youth Leaders / Moniteurs des Jeunes**

**Thema:**

The International Youth Symposium 2016 has created a desire for nations to exchange views on the topic of "children in the fire brigade".

At this first meeting in Koblenz, the individual nations should present their work with children (under 10 years) in the fire department.

Together, best practice examples will be presented and commonalities and differences will be worked out in different working groups.

**Conference language is German - please bring your own interpreter**
