

CTIF Tunnel Fires Working Group - virtual meeting

19.12.2024 - Virtual

Meeting agenda

1. Opening of the meeting

- Welcoming participants
- Agreement with the recording of the meeting
- Approval of the agenda
- Introduction of the participants

2. Responsibility for the group

- Elected chairman Peter Soe resigned from his position at the Fire Department
- Need to be replaced
- If anyone wants to apply for the chairman or secretary positions
- Reminder of the Teams Group

3. Next meeting plan, WG future plan

- Next virtual meeting
- Next meeting in person
- On what this working group should be focused on, direction of the group – suggestions?
- Martin Nekula will prepare suggestions for meeting in person, one option is the Czech Republic. Other suggestions are also welcomed.
- A meeting of Forest Fires Commission was held in Prague in December 2024 which was very successful
- Need to be decided which period will be the best
- Speakers, presentations must be prepared
- Ole Hansen suggests that Norway is an interesting place in connection with tunnels
- Possibilities need to be compared (prices, fees)

- Martin Nekula will prepare 2 variations for the physical meeting which can be compared
- Martin Nekula will also check the members who should be active, national committees were contacted in early 2024, members should be active and participate in this working group
- Martin Pliska suggests Prague for its interesting tunnels. Björn also mentions that Slovenia has lots of tunnels, which are very interesting.
- Term for physical meeting – better in autumn, working group can be also promoted on the Delegates Assembly in June 2025
- Chairman Peter Soe – Ole Hansen will try to contact Danish CTIF National committee, than a new chairman will be elected if needed
- Martin Nekula will ask members of the working group if anyone is interested in the chairman position
- Interested tunnel projects in Norway – can be presented in the next meeting – one is in the west part of Norway, underwater tunnel
- Next virtual meeting – presentations about different situations with tunnels in the member countries, a presentation about tunnels in the Czech Republic can be prepared, next virtual meeting should be in March or April
- Also interesting accidents in tunnels can be presented
- EV fires in tunnels – interesting topic, also can be presented
- Plans for the future of this working group, dependent on the new chairman

4. Discussion

5. Conclusion

An e-mail will be sent with information from this meeting. Ole Hansen will check up with the Danish CTIF National Committee about situation with Peter Soe.
